

## WORA Jersey Policy

(Revised July 2011)

1. The West Ottawa Ringette jerseys are on loan for the season and will be collected at the end of the season. The **player** is responsible for any loss or damage to the jersey (excluding normal wear).
2. All players will be asked to submit a \$100.00 jersey deposit, post dated to April 1, 2012, to the team's manager which will be returned to them at the end of the season when their jerseys are returned in proper condition. (This refers to the new jerseys only)
3. When putting on any name bars, sponsor bars and/or letters (C for captain and A for assistant) consider how they will be removed at the end of the season. Some iron-on letters cannot be removed by hand and require the use of a solvent which can stain the jersey. Name and sponsor bars **must be hand stitched** to the jerseys, not machine sewn onto them. Nothing other than these items is to be attached to the jerseys without written permission from the WORA executive. Name bars can be ordered from RinkPro, Play It Again for \$6 each.
4. **The jerseys are to be worn for games only.** Each player should have her own practice jersey for practices.
5. In order to protect the jersey, it's recommended that players bring their game jerseys to the arena on a hanger and in a garment bag. If the jersey is put in the equipment bag, be careful that it does not get damaged e.g. cut by skate blade or stuck to Velcro. It is best placed in the bag neatly folded and as the last item in.
6. The jerseys should be aired out after each game and never put in the dryer.
7. At the end of the season, jerseys are to be washed prior to being returned and all name and sponsor bars are to be removed in a careful manner as not to damage the jersey.
8. When the jerseys are returned, the manager will inspect the jerseys and return the jersey deposit if the jerseys have been taken care of. In the event that the jerseys have been damaged the manager will consult with the Equipment Coordinator and the Director of Logistics. In this event the jersey deposit may be withheld.

Thank you for helping our jerseys last longer!
