

Team Sponsorship Request – 2011/2012 Season

Would you be willing to spend a portion of your advertising budget on our ringette team?

The West Ottawa Ringette Association and its members continually seek alternate methods of offsetting operating expenses. The support that you would provide is essential for offering continued opportunities for young athletes in West Ottawa.

An investment in West Ottawa Ringette and its players can be financially rewarding for you and your business. A modest investment of \$500 provides you with low cost advertising, a tax deduction and an increase in business traffic. You will also be demonstrating your community spirit!

In return for your generosity, your business name will appear on the team's jerseys and on our Association's web site. You will also receive a receipt for income tax purposes, a commemorative thank-you plaque and recognition at our well-attended year-end banquet.

Your sponsorship will assist with the purchase of equipment and jerseys, funding of ice costs, and referee fees. Your contribution will benefit not only our Association, but also the community at large, by helping keep the sport of ringette accessible to as many players as possible.

We will wear our sponsor's name proudly and we will be a credit to your establishment by always showing good sportsmanship, dedication and commitment to ringette and to our community.

Thank you for your support!
